

ABOUT THE OPPORTUNITY

Member Committees champion activities that strengthen connection, professional development, and member value.

ABOUT YOU

- College member
- All career stages, levels and scopes
- Wanting to play an active role in your professional community
- Able to collaborate respectfully, and contribute to group tasks

You will:

- attend and actively contribute to Member Committee meetings
- represent the perspectives, needs, and interests of members within your jurisdiction
- contribute ideas, feedback, and local insight to help shape committee priorities and initiatives
- support the planning and delivery of events, engagement activities, and professional learning opportunities.

COLLEGE EOI

POWERING YOUR PROFESSIONAL JOURNEY

COMMITTEE MEMBER MEMBER COMMITTEES

Member Committees are a vital bridge between the College and our members, providing representation and the delivery of high-quality professional learning.

Do you enjoy collaboration, contributing ideas, and helping shape successful events?

Are you passionate about growth opportunities that support better outcomes for the profession and patient care?

“Working with such talented and passionate paramedics was a huge highlight for me. It's inspired me to get more involved in other ways.

“I find I'm learning a lot. It's great having that encouragement and support and expanding my network beyond the job.

“We've run some awesome events that brought paramedics together to share their knowledge and experience. It's how the profession grows.

Build your skills and career with the College

Personal growth

Build confidence by influencing discussions and contributing to shared decision-making

Professional visibility

Strengthen your profile within the College and broader paramedicine profession

Networking opportunity

Connect with peers, leaders and stakeholders through College activities

Practical experience

Develop transferable skills in collaboration, planning and communication

Meaningful impact

Help shape member experience, support development activities and contribute to the future of paramedicine in your jurisdiction

We're with you. All the way.

This role is suitable for paramedics of all practice levels, stages and scopes.
